3.9 Quick-Reference Table for Bid Teams

RFP Requirement	VI Business Standard Commitment
Tier-1 Availability SLA	99.99%
Tier-2/3 Availability SLA	99.95%
SD-WAN Failover Target	< 50ms
Data Residency	100% India-localized (DPDP Act 2023 certified)
Priority 1 (P1) Security Incident	15 min Acknowledgement, < 4 hours Containment
Cloud Partner Designations	Azure ExpressRoute Partner, AWS Direct Connect Partner

3.10 India Telecom Regulatory Orientation Strictly compliant with Department of Telecommunications (DoT) Unified License (UL) mandates. Routing and traffic handling enforce lawful interception as mandated by Indian telecom security rules.

4) Evidence and Proof-Artifact Map

Data Point	Evidence Repository	Citability
ISO 27001 / SOC 2	`SharePoint/VIB_Compliance_Vault/Certs`	Provide certificate upon NDA execution
AWS / Azure Partner Status	`public.aws.amazon.com/partners`	Publicly verifiable

5) Governance and Ownership

- **Owner:** Head of Enterprise Bid Management
- **Reviewers:** Legal, Finance, Head of Core Networks
- **Review Cadence:** Quarterly updates aligned with earnings disclosures.

6) Constraints, Exclusions, and Dependencies

- **Constraints:** Financial figures represent VIL consolidated results; do not break out specific BU revenues.
- **Non-Standard Exceptions:** Commitments beyond the stated SLAs (e.g., 99.999% uptime or <2 hour P1 resolution) require explicit Solution Engineering and Deal Desk pricing reviews.
